

Caterpillar 773E Off-Highway Dump Truck

Our Product Introduction

for more products please visit us on yuweimachinery.com

Basic Information

- Place of Origin: USA
- Brand Name: Caterpillar
- Certification: ISO 9001, ISO 14001, ISO 50001, CE Certification, EPA Tier Compliance and various kind of certification
- Model Number: 773E Off-Highway Dump Truck

Product Specification

- Turning Speed: 11.25 R/min
- Showroom Location: None
- Item: Directly Crawler Excavator
- Machine Weight: 13000 KG
- Hydraulic Cylinder Brand: DOOSAN
- Marketing Type: New Product 2020
- High Quality Excavator: Excavator Wholesale
- Location: Shanghai China Port
- Color: Yellow And Black
- Track Shoe Width: 600 Mm
- Working Weight: 13,990 Kg
- Weight: 7 T
- Working Hours: 380
- Condition: Excellent Condition
- Excavator Power: 257kw

Product Description

The Caterpillar 773E Off-Highway Dump Truck is a powerful and durable machine built for mining, construction, and heavy hauling applications. Equipped with a Caterpillar C15 engine, it delivers exceptional power and fuel efficiency. With a 40,000 kg (88,000 lbs) payload capacity, it efficiently transports heavy materials across rough terrains. Its advanced hydraulic system ensures smooth and quick dumping cycles, enhancing productivity. Designed for operator comfort and safety, the 773E features a reinforced cab, excellent visibility, and stability on uneven surfaces. Ideal for demanding worksites, this truck offers reliability, performance, and long-term durability for large-scale material transportation.
