Hyundai Robex 305LC-9T Excavator 5.5km/h Rated Speed

Our Product Introduction

Basic Information

- Brand Name: Hyundai
- Model Number: Robex 305LC-9T Excavator
- Payment Terms: T/T

Product Specification

- Marketing Type: Hot Product 2019
- Unique Selling Point: High Operating Efficiency
- Make: Hyundai
- Power: 98.6KW, 86
- Transport Length: 12.2 M
- Excavator Length: 10210mm
- Keywords: Digging Machine
- Rated Speed: 5.5km/h
- Year: 2015
- Engine: Cummis
- Maximum Digging Depth: 6.7 M
- Original Of Engine: Korea Oringinal
- Condition: Second Hand
- Engine Type: HM5.9
- Highlight: **Hyundai Robex 305LC-9T Excavator**,

Our Product Introduction

Product Description

The Hyundai Robex 305LC-9T is a powerful and efficient hydraulic excavator designed for demanding construction, earthmoving, and excavation projects. Built with advanced technology, superior hydraulic systems, and a robust structure, this machine ensures high productivity, reliability, and operational efficiency in tough working conditions.
Equipped with a fuel-efficient and high-performance engine, the 305LC-9T delivers exceptional power, enabling smooth digging, lifting, and material handling. Its reinforced boom and arm provide increased durability, while the advanced hydraulic system allows for precise and responsive control, making it ideal for large-scale excavation tasks.
Key Features:
Heavy-Duty Performance: Designed for high efficiency in construction, mining, and infrastructure projects.
Powerful Engine: Delivers excellent fuel economy with reduced emissions.
Advanced Hydraulic System: Provides smooth and precise control for optimized operation.
Spacious & Comfortable Cabin: Ergonomic design with user-friendly controls, reducing operator fatigue.
Durable & Robust Design: Reinforced structure and high-quality materials ensure longevity.
Enhanced Safety Features: Includes ROPS/FOPS-certified cabin and safety monitoring systems.
The Hyundai Robex 305LC-9T Excavator is a reliable choice for contractors and construction professionals who require a high-performance excavator with excellent durability, efficiency, and safety.

NO.680 YONGDE ROAD, MINHANG DISTRICT, SHANGHAI 200241, CHINA
