Company Profile

Packing & Delivery

Frequently Asked Questions

1. What is your advantage?

We are the largest professional used construction machinery company in our region. With sufficient inventory and guaranteed quality, we provide clients with well-maintained machines at competitive prices.

2. Quality Assurance

We provide a six-month warranty on all major equipment components including engine, transmission, and hydraulic pump. For any issues, we will supply replacement parts or send technical personnel for repairs.

3. Can you satisfy my special requirements?

Absolutely! As direct manufacturers, we can discuss customized solutions and produce according to your specific needs.

4. How to guarantee customers receive goods after payment?

We participate in trade assurance programs. Your deposit is held securely until delivery is confirmed, ensuring protection for your transaction.

5. How can customers visit and inspect in China?

We arrange all necessary preparations for your visit to China and welcome you to inspect our facilities.
