Packing & Delivery

Frequently Asked Questions

1. What is your advantage?

We are the largest professional used construction machinery company in our region with sufficient inventory and guaranteed quality. This allows us to provide clients with well-maintained machines at competitive prices.

2. Quality Assurance

We provide a six-month warranty on all major components including engine, transmission, and hydraulic pump. For any issues with these parts, we will supply replacement components or dispatch our technical team for repairs.

3. Can you satisfy my special requirements?

As direct manufacturers, we can discuss customized solutions and produce equipment according to your specific needs.

4. How to guarantee customers receive goods after payment?

We participate in trade assurance programs. Your deposit is held securely until delivery is confirmed, ensuring protection for your purchase.

5. How can customers visit and inspect in China?

We provide full support for visiting clients, including arrangements for your inspection visit to our facilities in China.
