Item	Value
Product Name	CAT 323 D
Operation Weight	23000 KG
Location	Shanghai, China
Engine	CAT
Power	106 KW
Place of Origin	Japan
Length	9460mm
Width	2980mm
Height	3050mm

Company Profile

Packing & Delivery

Frequently Asked Questions

What is your advantage?

We are the largest professional used construction machinery company in our region. With sufficient inventory sources and guaranteed quality, we provide clients with well-maintained machines at competitive prices.

Quality Assurance

We provide a six-month warranty for all major components including engine, transmission, and hydraulic pump. For any issues with these parts, we will supply replacement components or dispatch our technicians for inspection and repair.

Can you satisfy my special requirements?

As direct manufacturers, we can discuss customized solutions and produce equipment according to your specific needs.

How to guarantee customers receive goods after payment?

We participate in trade assurance programs. Your deposit is held securely by Alibaba until delivery is confirmed. If we fail to deliver on time, your deposit will be refunded.

How can customers visit and inspect in China?

We will arrange all necessary preparations for your visit to China. We welcome and look forward to your inspection.
