Company Profile

Packing & Delivery

Frequently Asked Questions

What is your advantage?

We are the largest professional used construction machinery company in our region, with sufficient inventory and guaranteed quality. This allows us to provide clients with well-maintained machines at competitive prices.

Quality Assurance

We provide a six-month warranty on all major components including the engine, transmission, and hydraulic pump. If any issues arise with these parts, we will supply replacement components or send our technical team to perform repairs.

Can you satisfy my special requirements?

Absolutely. As direct manufacturers, we can discuss customized solutions and produce equipment according to your specific needs.

How to guarantee customers get the goods smoothly after payment?

We participate in trade assurance programs. Your deposit is held securely until delivery is confirmed, ensuring protection for your purchase.

How can customers visit and inspect in China?

We will arrange all necessary preparations for your visit to China and welcome you to inspect our facilities and inventory in person.
